

The 100 Year Convergence and the Global Revolution of Freemasonry and their ultimate aim of one world order.

by Philip Illsley. Jan 2017.

In October 1917 Lenin stormed Moscow and the birth of Communism began and many months before in Fatima Our Lady warned that the “ **Errors of Russia** “ would spread throughout the whole world if mankind did not repent. On writing this in late January 2017 we see that they have spread like a cancer into every facet of society bringing about the beginning of a **Global Revolution and One world order.**

Several Popes had also warned of this, those secret societies as the **Freemasons and Illuminati**, whose goal has been to undermine and overthrow the entire order of things through the ideas behind Communism and few realise that Lenin, Joseph Stalin and Karl Marx were on the payroll of Freemasonry. The fact is that Freemasonry **believes Christ and His teachings are an impediment to human freedom and self-fulfilment and they are a Satanic Order, and a world wide secret sect whose aims are to undermine the authority of the Catholic Church**

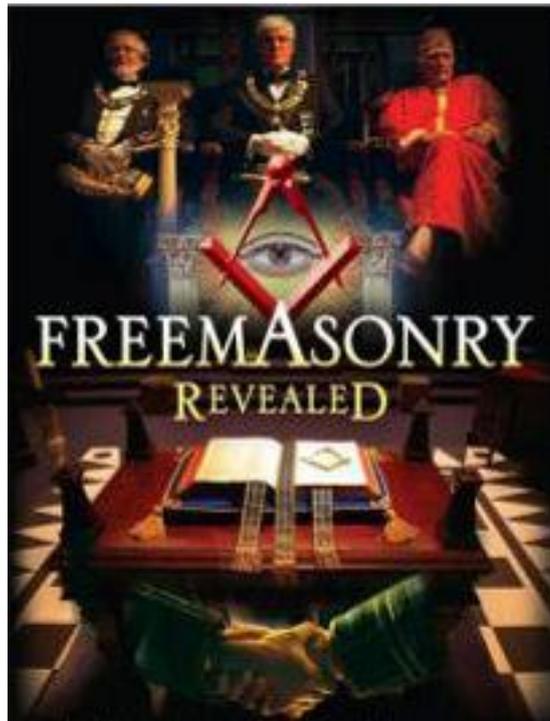

with a hidden agenda at the upper levels within the Church to destroy the Catholic Church and the Papacy.

The All seeing Eye is the Masonic God; Lucifer

Very few people are aware of this Today and how deep the roots of the secret society sect actually reach in our lives today. Freemasonry is today the single greatest secret secular sect and organised power on planet earth today and battles with the things of God on a daily basis worldwide.

It is a controlling power in the world today operating behind the scenes in **Banking, The Police, The Armed Forces, The Judiciary, Politics, some Royal Families, The Media,** its influence and control is worldwide and everywhere this secret sect is in the Catholic Church and its aim is to **undermine the authority of the Catholic Church with a hidden agenda at the Upper Levels like Cardinals within the Church to destroy the Papacy and the Church, its aim is One World Order to be led by Lucifer their Masonic God.**

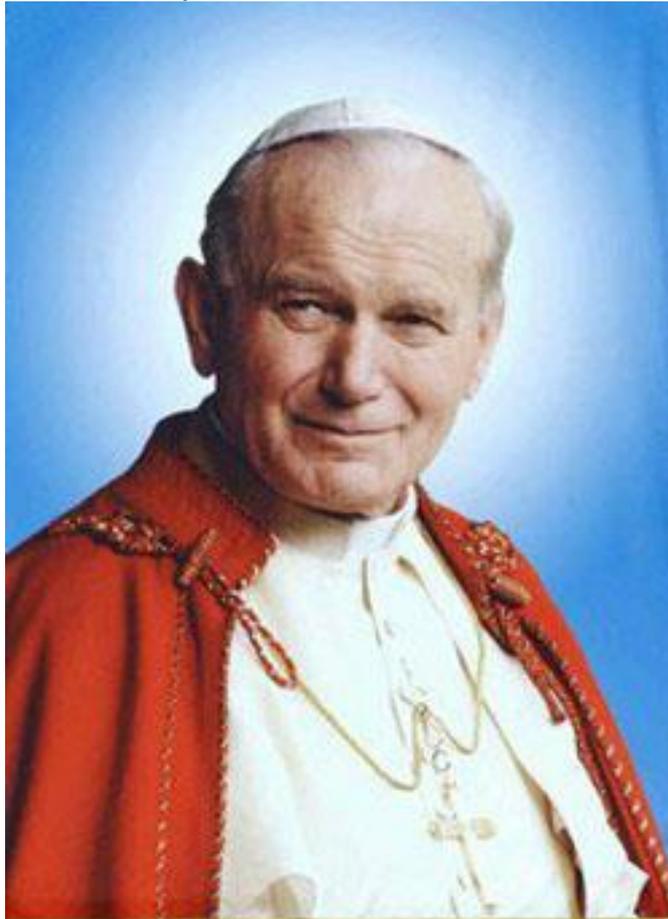

This Image shows that many important people in the world today are Masons and how it reaches all levels of society even in Royal households, its control is everywhere, its influence is everywhere, especially in the Media and the goals of Freemasonry have been achieved largely through an anti religious, Media whose intellects within create an alternate world view that restrict itself to science and reason alone and separate themselves from Faith especially the Catholic Faith. Freemasonry goal is to destroy the Catholic Faith and the Papacy.

Cardinal Karol Wojtyla (Pope John Paul 2nd) before he became Pope in a speech he gave to the American Bishops in Philadelphia in 1976 two years before he became Pope.

We are standing in the face of the greatest historical confrontation humanity has gone through ... We are now facing the final confrontation between the Church and the anti-Church of the Gospel and the anti-Gospel of Christ and the anti-Christ. This confrontation lies within the plans of Divine Providence. It is a trial which the whole Church must take up... a test of 2000 years of culture and Christian civilization with all of its consequences of human dignity, individual rights, human rights, and the rights of nations and when he became Pope in Sept 1978

he elaborated two years later what this great historical confrontation is likely to be.

Pope John Paul 2nd now St John Paul 2nd

He said in Fulda in Germany in 1980; We must prepare ourselves to suffer great trials before long such as will demand of us all a disposition to give up even life itself and a total dedication to Christ and for Christ. With your and My Prayers it is possible to mitigate The coming Tribulation but it is No Longer possible to avert it. Because only thus can the Church be effectively renewed, how many times has the renewal of the Church sprung from the shedding of blood. This time it will not be otherwise and we must all trust in Christ and His Holy Mother.

What the Pope is referring too is the Coming Tribulation of Communism led by Russia which Our Blessed Lady the Queen of Prophets foretold at San Sebastian De Garabandal in the 1960's and Our Lady described the expansion of Communism as a punishment resulting from the sins of men and would cause great suffering before its reign of terror is

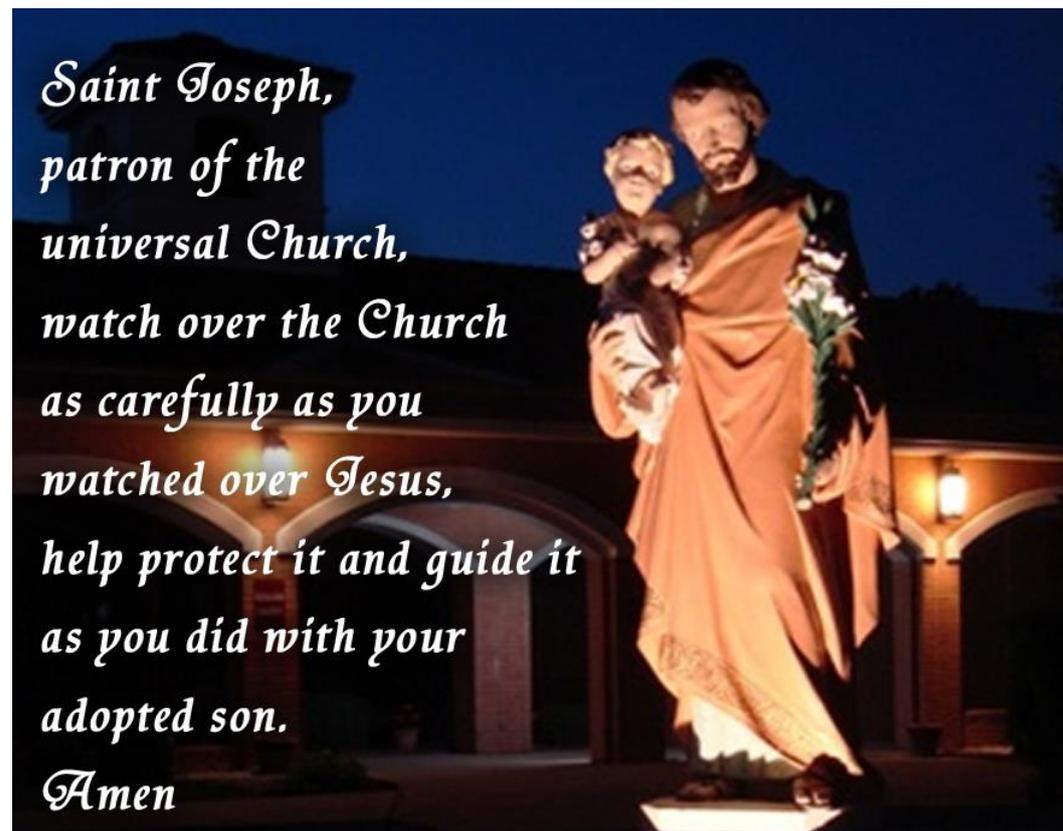

suddenly ended. Another pope has also warned of this and described it as a **Great Wonder** this is what Pope Pius 1x described it in 1878 :

Pope Pius 1x 1878 Vision of Pope Pius

In this vision of pope Pius he said; since the whole world is against God and His Church. It is evident that He has reserved the victory over His enemies to Himself. This will be more obvious when it is considered that the root of all present evils is to be found in the fact that those with talents and vigor crave earthly pleasures and not only desert God but repudiate Him altogether, thus it appears they cannot be brought back in any other way except through an act that cannot be described to any secondary agency and thus all will be forced to “ **Look to the Supernatural** “ **There will come a great wonder which will fill the world with astonishment. This will be preceded by the Triumph of Revolution.** The Church will suffer exceedingly and her servants and her chieftain will be mocked scourged and martyred.

What Pope Pius mentions in this vision he had ; There will come a great wonder that will fill the entire world with astonishment **This I believe is the Great Universal Warning again foretold by Our blessed Lady the Queen of prophets at Garabandal:** This is otherwise known as the Illumination of our Consciences where everyone over the age of seven will see ourselves as we all stand before the judgement throne of God and this stops the Communist Tribulation Led by Russia and corrects the conscience of the entire world and this is what he meant when he said This will be preceded by the Triumph of Revolution..

Pope Pius also declared St Joseph as Patron and Protector of the Universal Church. Please pray the above prayer daily Pope Pius also said give me an army saying the Rosary and I will conquer the world. \ We have been given powerful weapons from Heaven to defeat Satan and all his evil that threatens all humanity today BUT we must all of us use them as Our great Late Pope John Paul 2nd said with your and My Prayers we can mitigate the Coming Tribulation but

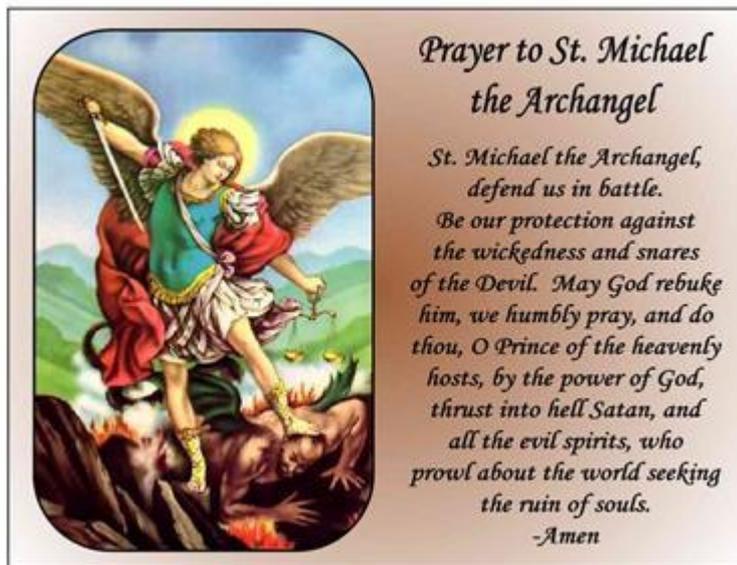

we can no longer stop it—BUT we can lessen it by prayer and especially the Rosary.

Pope Benedict 16th in his homily in Fatima in Portugal for the Beatification of the two seers of Fatima Jacinta and Francisco on May 13th 2010 he said; May the seven years which separate us from the centenary of the apparitions of Fatima hasten the fulfilment of the prophecy of **The triumph of the Immaculate Heart of Mary to the Glory of the Most Holy Trinity.**

These words of Pope Benedict 100 years invoke another memory in the Church the vision of Pope Leo 13th – The Pope had a vision during the Mass that left him utterly stunned **Pope Leo overheard Satan asking God for 100 years to test the Church this resulted in the Great Prayer to St Michael the Archangel which used to be said at the end of the Mass throughout the entire Church – There is nothing stopping**

each and everyone of us saying this ourselves at the end of each Mass we attend.

St Michael appeared to the 4 visionaries at Garabandal nine times before Our lady; and She said that Communism would come back in one final attempt at world domination by Russia, we also all need to look at what the scripture say regarding the coming Tribulation.

This from **Mathew 24 :21:22** For then there will be a Great tribulation such as not be seen from the beginning of the world until now, no and never will be, **and if those days had not been shortened No human being would be saved.**

Our Lady said; Communism would come back in one final attempt at world domination by Russia. It also seems that very little consideration has also been given to the fact that and Evil force has deliberately infiltrated the Church with the intent of destroying it.

A very good Russian priest Fr Walter Cizek S.J. who spent over 20 years in Soviet prisons and in their labour camps in Siberia. In his book “ **With God in Russia** “ He talks at great length how the communists tried to recruit him offering him all kinds of benefits, if he would join and work as their agent in the Church that was already in place.

Brief history of the apparitions of Garabandal

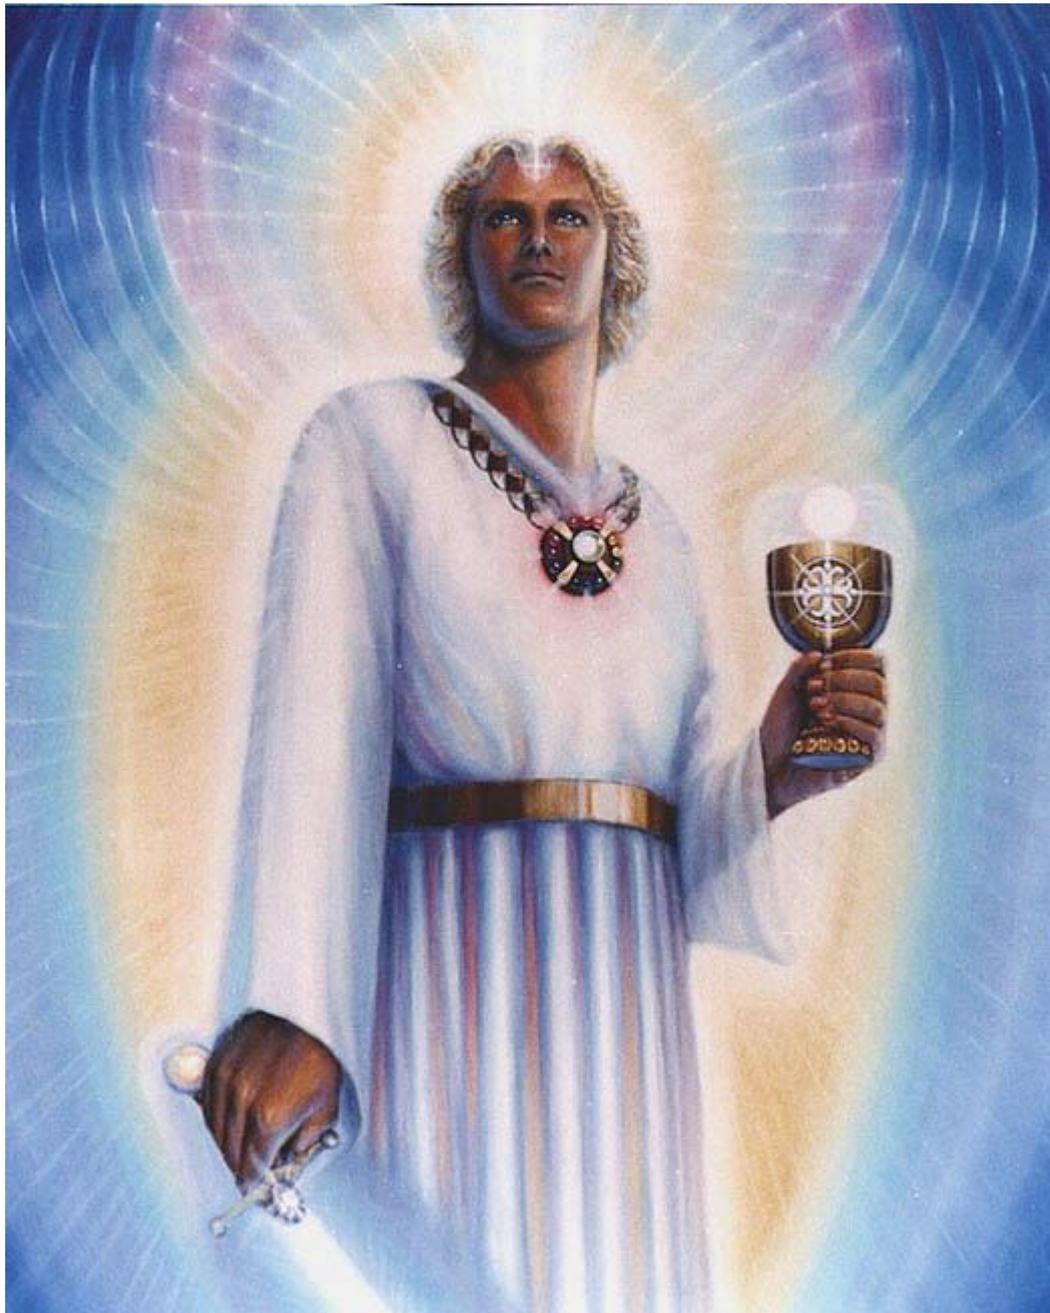

June 18, 1961
November 13, 1965

"It is the most beautiful story of humanity since the days of Christ. It is like a second life of the Virgin on earth. And we can never be grateful enough for it."

Paul VI

Pope Paul 6th was very supportive and believed in the apparitions at Garabandal, and he called Conchita Gonzales to Rome in 1966. She went with her mother because she was only 17 years of age, and in a private audience with the Pope and Cardinal Ottaviani and her mother **she revealed to them the date of The Great Miracle at Garabandal so other future Popes will also know this date.** After his meeting with Conchita, he said; Garabandal Conchita is the most beautiful story of humanity since the day of Christ. It is like a second life of the Virgin on earth and we can never be grateful enough for it. **I bless you Conchita, and with me the whole Church Blesses you.**

The second formal message given for the world at Garabandal in June 1965, This message is very powerful and shows how **upset God and His Blessed Mother are that these messages She gave at Garabandal have not been complied with and have not been made known to the whole world.**

St Michael the Archangel at Garabandal

This second formal message for the world in June 1965, Our Blessed Lady asked St Michael to give this message on Her behalf because She was so upset as to what had to be said about Her Beloved Priests. This is this full and most powerful message:

As My Message of October 1961 Has not been complied with and made known to the world. I am advising You today that this is the last one. Before the cup was filling up Now it is

overflowing. Many Cardinals, Bishops, and Priests are on the road to perdition, and taking many souls with them, less and less importance is being given to the Eucharist. You should turn the wrath of God away from you by your efforts. If you ask for His forgiveness with sincere hearts He will forgive you. I Your Mother through the intercession of St Michael, Ask you to amend your lives. You are receiving the last warnings. I Love you very much and do not want your condemnation. Pray to us with sincerity and we will grant your requests. You should think more about the Passion of Jesus.

A Young Conchita Gonzales.

Our Mother of Divine Love and Her Son Merciful Jesus had been appearing throughout this world these last 170 years or so giving us warnings for all mankind to return to God now before it is too late. They tell us that the hand of God is weighing heavily upon the whole world which does not want to bring an end to its sins. They tell us that calamities will succeed each other until the end comes to this unbelieving and perverse humanity. They say death stands beside us all. They say do not

mock these words and warnings **because they are warnings from Merciful Jesus and the Mother of Divine Love Full of Love.** They urge us and encourage us all to pray, to make reparation, and to fear Sin and the chastisement of God. **But Mankind today is not listening !** They have told us things of great importance and let us know the sequence of events, and what must be done, they tell us that the fate of all mankind is at stake as in the days of Noah, and each passing day brings them closer to their time. God expects us all to pay attention to certain aspects of the future He asked His Blessed Mother to reveal at La Salette, Fatima, Garabandal, Akita, and Medjugorje. God also expects us all to recognise the signs given to us in these present times of great evil and apostasy and lack of the Truth.

God expects us to recognise the signs of the times; So let us look at these present times in the UK – Europe – The USA and what is happening now is nothing but a REAL REVOLUTION ; They may not appear to be connected but I believe they are **this revolution is similar to the kind of violent anger that seethed in the populace before the French Revolution and overthrowing the establishment ! I don't mean the massacring of the thousands the French Revolution did, But I mean the anger that seethed in the populace about the way that they were treated and this same anger led to the UK voting in the referendum BREXIT as it is now called to leave the European Union.** For many years there has been this anger with the populace of the UK for the way the EU Treated the UK this creeping sense of the populace throughout the UK that our politicians and the EU Lot say one thing and do another that we had no control over our borders and our Laws and that we had lost our sovereign right to govern ourselves and the UK were given the chance to determine our own future in the referendum **and to the surprise of many we voted to leave. Then for similar reasons that the UK populace took the USA populace voted for Donald Trump as their new president and massive change mainly because they did not trust their politicians as well. This revolution could**

well spread to France, Italy, Austria, and Holland, and other members of the EU and it is for this reason that the EU is not going to give the UK a good deal because it is frightened that to do this others would also vote to come out and their stance will be to punish the UK. **SO BREXIT is going to be hard, also the EU is frightened by the attitude of the New President Donald Trump and his anti EU stance and in particular his stance on NATO and on Germany.**

What is Vital is that the people of the UK who voted to leave Europe are **NOT** let down by their MPs and that their wishes to leave the EU are honoured and the best deal we can get with the EU is negotiated by the Government.

What is Vital is that the people of the USA who voted in Mr Donald Trump as their President give him **their FULL BACKING** and that the policies he put before them in the election and which they voted for Him, He carries out as their elected President, and I personally have no doubt that he will carry them out.

What I fear may happen In the coming years negotiations with the EU on the UK leaving the European Union.

- 1) **That the EU negotiators will take such a strong attitude against us that this will result is so much distrust and cause so much animosity that we not only leave the EU**

but also we will also inevitably leave **NATO**. I say this because the **EU** will take a hard line and would seek to charge the **UK** between 40-60 billion euro's making this large sum from the **UK** a priority in the negotiations. But **BREXIT** will also cost poorer **EU** members up to 12% of the funding they receive from Brussels, and this would mean Germany and France would have to make up this shortfall. The **EU** would also suffer significant economic harm if a deal with **THE CITY** is not struck – **THE CITY** is the **EU's** Financial Hub and this could result in mass Job Losses and Stunned Growth in Europe – **BUT** many **EU** Members seek to Punish the **UK** which will lead to an extremely **FIESTY** atmosphere and trouble.

- 2) There is **NO** doubt in my view that President Trump would give us his **FULL** backing and also come out of **NATO** with us as he is equally distasteful and distrustful towards the **EU** and their practices. He has accused Germany of being a currency manipulator claiming its exports have been boosted by an artificially weak Euro and he is right.
- 3) **FREEMASONRY** will meddle in the **BREXIT DEAL**. The Freemasons control the **EU**. The **EU** consider us to be the rogues who have ceased to pay their dues and the view of many of them is that the implications for the **UK** to walk away without any deal on the economic side are from their perspective so bad That we wont do it – **HOW** wrong they are. The **EU** and Masonry want a **ONE WORD ORDER** and the seek to start with Europe with its own army and navy with its own armed forces and they want a hard **BREXIT** for us to stop others leaving. The **EU's** top court is also on a collision course with us as its President said he expects to intervene in **BREXIT** and could even make changes to the deal. **MASONRY** also control the Media which Donald Trump is finding in the **USA** since he decided to run for President. **President Trump** has also recently

OUR BLESSED MOTHER showed the four young visionaries at Garabandal **a brief period of TIME in Europe suddenly Italy, France and Spain were overrun by Communism there would be persecution of The Church and the Holy Father would have to flee Rome.**

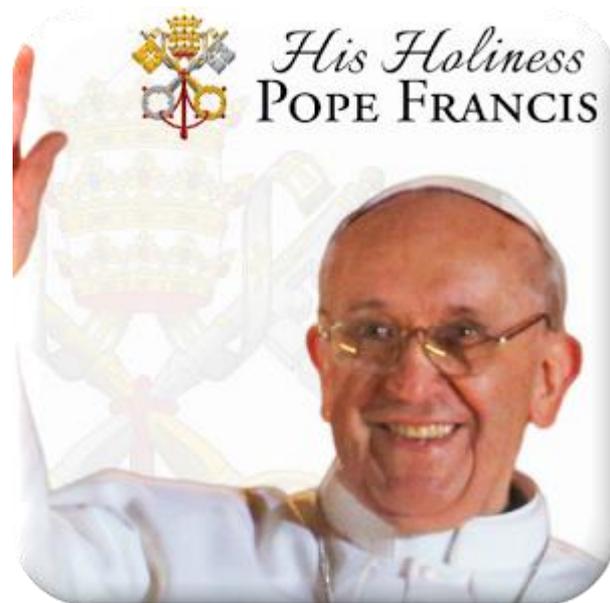

Our Lady of Mount Carmel at Garabandal

Prior to this happening the Pope will visit Moscow. When he returns all hell would be let loose. This will be an awesome time for The Church and Churches will be locked and priests will be in hiding. A Massive SIGN for us all to look out for is if Pope Francis goes to Moscow.

We all of us need to pray for Pope Francis 1st be loyal to Our Pope for he is the voice of God for all humanity, he who listens to him LISTENS TO GOD. Only by listening can

peace and harmony be restored this is why **he is called “ The Christ on Earth “** His responsibility as head of the Church surpasses human strength and which Divine Assistance is very necessary. **This Divine Assistance comes to him through the intermediary of our prayers, for the Cross he bears on his shoulders is very heavy and it is every Catholics duty to help him carry it. Many today do not believe in his infallibility when he speaks as head of the Universal Church and they think that they have the right to refute his work to blame him and to mock him. He who despises him, despises God.**

The duty to listen to him in what he commands, advises, or desires, for whoever listens to him, listens to Christ. True Catholics see in his authority as Pope a Great Gift from Heaven. Pray for him and Love him.

POPE FRANCIS Is Trying to eradicate Freemasonry from within the Catholic Church and other secret sects like Illuminati. At The end of January 2017 Pope Francis 1st summoned Fra Mathew Festing the head of Knights of Malta to the Vatican. At The end of This Meeting Pope Francis, asked Festing to submit his resignation as the head of this order. The Pope during a meeting in November 2016 also asked Cardinal Burke who is the ecclesial Patron of the Nights of Malta to carry out and important and delicate task to ferret out and remove

from the Knights of Malta **all members who are Freemasons, The Pope made it clear to Cardinal Burke that he wanted Freemasonry cleaned out from the order.**

Cardinal Burke is seen as one of the leaders of the “ Traditional “ faction in the Church and in the College of Cardinals because of his raising questions about the “ Progressive “ Teaching of Pope Francis. Pope Francis is trying to clean up the Church and needs all our prayers and support.

Pope Francis and Fra Mathew Festing head of the knights of Malta. Pray for Pope Francis my friends, he is hated today by many, misunderstood, and fought with even by those within the Church, he is the object of calumny, even by some Catholics who call him the anti-Christ and the anti-Pope . He always comes with thoughts of love, and words of peace, but some hearts are impervious to his teaching- which is not his because it comes from God. He is not enticed by material interests of any sort. He seeks neither glory or honour. He loves with a Divine Love all men of earth, and there is no suffering that does not touch his heart, and there is no offence or wickedness that he does not forgive. He is Christ’s vicar hear on earth, and we all need to pray for him, love him, and labour for him.
