OUR LADY'S TEARS

What awaits all mankind my friends if we do not change our lives and return to God has been revealed by Our Blessed Mother the Queen of Prophets at San Sebastian de Garabandal in the

spring of 1962. On June 19th and June 20th came the two nights of screams, The first night of screams lasted 50 minutes and the young girls were shown visions of the future **The Tribulation of Communism Led By Russia during which Russia would gain dominion of the whole world; Russia will rule the world.** It was 10.30PM on the 19th June 1962 when the people heard Mari Loli and Jacinta scream horribly causing great fright and concern, the two girls were shown the terrible persecution of communism which would overrun Europe, **where the rivers would turn red with blood.**

Philip Illsley's Pilgrimage to Garabandal in May 2015

The Communist Tribulation would go beyond Europe to gain dominion of the whole world. The Catholic Church would seem to disappear, its buildings would be destroyed or locked and priests would be in hiding and many would be martyred. The Sacraments would be very difficult to receive if at all. This Great tribulation would be very

intense but not for a long duration, because when all hope seems lost **God Himself would bring it all to a stop with The Great Universal Warning to all Mankind; known as the Illumination of our conscience's revealing to each individual on earth over the age of seven the state of his or her soul as it exists before God. This stops the Communist tribulation and corrects the**

Philip Illsley's group outside the Church in Garabandal conscience of the entire world. This Great Tribulation of Communism is not the future Chastisement of Fire also foretold at Garabandal and this will come directly from God if man does not become and remain changed for the better following the Tribulation, The Warning, and The Great Miracle at

Garabandal. In November 1965 a German Journalist Mr Albrecht Weber interviewed Conchita Gonzales the visionary at Garabandal and wrote a book “ **Garabandal – The finger of God** “ this book was received by Pope John Paul 2nd and the Pope sent Mr Weber a message through his secretary Msgr Dwicz encouraging him to continue promoting Garabandal **before its to late.** In one of his conversations with Conchita **he asked her when will the Warning occur ?** Conchita replied, **when Communism comes back everything will happen.** Conchita said Our Lady said that Communism would come back ! When Conchita visited the future Saint Padre Pio in 1966 he told her that the Great Miracle to come at Garabandal **would be paid for by the blood of Europeans;** Mr Weber in an interview in 2006 said that the communists would go to the village of Garabandal during the Tribulation and that some people in the village would be killed for their faith and that one of the visionaries had told him that prior to the Tribulation he should go to Southern Spain or Portugal. He also said we should look out if the Pope ever goes to Moscow because as soon as he returns to the Vatican **Hostilities would break out in different parts of Europe.** “ **Few would See God** “ This most terrifying prediction came in a statement signed by Mari Loli and Jacinta Gonzales in June 1962 they said that Our Lady told them, **that if the world continues**

as the same and it does not change “ Few will see God; so few that this is causing the Virgin Great sorrow and much tears.

OUR LADYS TEARS

These Grave concerns of our Lady in 1962 and it goes without saying that the moral condition in 1962 is far less than the terrible evil in our present world of **TODAY !** these words are equivalent to **ONLY a FEW** in these times will be saved from eternal damnation – **WE ALL NEED TO WAKE UP NOW !!!** and listen to other revelations in these times coming from Heaven where our human society today has reached a decree of Immorality Far exceeding that of the days of Noah and Sodom and Gomorra. In the writings of St Thomas Aquinas he says that when future prophecies of future events are close to being fulfilled **the things that lead to the fulfilment of those prophecies begin to happen with greater and greater frequency; today we are all witnessing a world very far from God and many today not only emulate Satan but openly defy God and express only**

hatred of God. The rapidity of these horrible events happening on a daily basis today seems to portend to the nearness of even greater horrors before that day when God intervenes and opens the way for the Triumph of the Immaculate Heart Of Mary and the area of PEACE !

Our Lady the Queen of Prophets has made these predictions of the greatest magnitude and importance at Garabandal for all humanity. Pope Paul 6th , Pope St John Paul 2nd , St Padre Pio and St Therese of Calcutta and many others have spoken very positively about the events at Garabandal, I really do believe that these events are **NEAR so please stay close to God and His Blessed Mother and this will stop Her tears. Stay Blessed all of You – PHILIP.**
